TO WHOMSOEVER IT MAY CONCERN

I am writing to confirm that Mr Venunath M Nair was employed by Scasys Technologies on a full-time basis, working 50 hours per week in the role of Junior Software Engineer.

Venunath M joined our Bangalore office on 17th August 2022. He was employed as a Junior software engineer from 17th August 2022 to 2nd July 2023

Her duties as an Engineer include, but are not limited to the following,

- Adapt to the dynamic, growing environment within a short span of time.
- Learn new technologies in Entity framework, MVC, N-tire applications, WCF, WebAPI and train, guide junior developers in the new technologies
- Actively participate and contribute performance and security aspects of web applications, debugging and developing multi-browser.
- Participate in the design, definition and development of software components and data systems, including prioritisation and planning, to meet your team goals.
- Ensure that systems are our web applications are adequately developed, tested, and meet all client requirements.

Should you require any further information, please do not hesitate to contact me at
